

Combined Acupuncture and Chiropractic Program – PPO

QUALITY, AFFORDABLE COVERAGE THROUGH HEALTH NET AND ASH PLANS

Health Net has teamed up with American Specialty Health Plans of California, Inc. (ASH Plans) to offer quality, affordable acupuncture and chiropractic coverage for our PPO members.

With this program, you won't need a referral to see an acupuncturist and/or chiropractor. Reduce your out-of-pocket cost by self-referring to a participating acupuncturist or chiropractor from the ASH directory. You can also visit a non-participating acupuncturist and/or chiropractor, however your costs will be higher. Visit *Find a Provider* on **Healthnet.com** to find a participating provider.

Definition of covered services

Acupuncture care

Medically necessary services provided by an acupuncturist for the following injuries, illnesses, diseases, functional disorders or conditions, when determined medically necessary.

Verification of medical necessity may be required. Your acupuncture provider will manage this requirement with ASH plans.

Exceptions include:

- a. an initial examination by an acupuncturist and the provision or commencement, in the initial examination, of medically necessary services that are covered acupuncture services, to the extent consistent with professionally recognized standards of practice; and
- b. When ASH Plans approves a treatment plan, the approved services for subsequent office visits covered by the treatment plan not only include the authorized services but also include a brief re-evaluation in each subsequent office visit if deemed necessary by the participating acupuncturist, without additional approval by ASH Plans.

Chiropractic care

Covered services provided by a chiropractor include the treatment of musculoskeletal and related disorders, or pain syndromes, when determined to be medically necessary.
